Mr. J. Robert Switzer, Clerk,
Harrisonburg,
Virginia.

Dear Mr. Switzer:

I am enclosing herewith orders for the payment to the Conservation Commission of the following named sums out of the proceeds of condemnation for following numbered tracts in your County:

Tract No. 51- Thomas B. Hensley, - - - - -	\$69.30
Tract No. 68- S.V. & B. B. Burke, - - - - -	257.00
Tract No. 297-a, W. J. Downs, - - - - -	210.00
Tract No. 27- L. W. Meadows, - - - - -	15.00

By reference to orders entered by your Court distributing the residue of proceeds of condemnation for each of these tracts, you will see that these respective sums were left for us when we should present an order covering the same.

I am also enclosing orders to be entered refusing payments of certain other claims of the Commission, listed below:

Tract No. 229-Ashby Collier, - - - - -	\$12.50
Tract No. 224- M. D. Longley, - - - - -	45.00
Tract No. 181- Chas Davis, - - - - -	15.00
Tract No. 77- Q. E. Smith, - - - - -	27.00
Tract No. 47-a- S. J. Hensley, - - - - -	75.00
Tract No. 27- L. W. Meadows, - - - - -	15.00

These last named cannot be paid because we do not have the consent of the parties and we have no lien on proceeds of condemnation for same.

I am also enclosing a carbon copy of each of these orders with the request that you certify the carbon and return to us for our files. The originals you will send to Richmond, of course, and when check is returned to us for the respective amounts due, we will either arrange to come up and sign receipts or better still if you can forward the checks with receipts to us, we will execute the receipts and return to you. I do not know where Judge Bertram is at the present and thought that you would probably get in touch with him quicker than my letter to him might do.

Although all of these orders are vacation orders yet it seems to me there should be no requirement for either notice or consent as to the entry of any, for the reason that prior orders evidencing consent as to any funds which will be paid to us have been

entered, and orders dismissing our claims are for the benefit of the respective land owners, and, therefore, it would seem no notice or consent should be required.

Thanking you in advance, I am,

Yours very truly,

W. C. Armstrong
