FRONT ROYAL, VA.

September 18th, 1931.

Judge H. W. Bertram,
Harrisonburg,
Virginia.

Dear Judge Bertram:

I beg to enclose herewith petition on behalf of State Commissioner on Conservation & Development, praying that the Board of Appraisal Commissioners be ordered to ascertain the value of lands sought to be acquired for Shenandoah National Park Purposes, as to which no claims have been filed on behalf of any one.

I also enclose an order to the Board of Appraisal Commissioners to proceed to ascertain the value of said lands.

This is the identical procedure followed by us in the other counties and I think is proper in all respects.

If you enter the order, the Clerk should deliver the maps, which are filed as exhibits, to the Board of Appraisal Commissioners, for their use.

a/t.

Yours very truly,

W. C. Armstrong.
