Judge H. W. Bertram,  
Harrisonburg,  
Virginia.

Dear Judge Bertram:

I am enclosing an order which I will thank you to enter in the proceedings for the condemnation of Shenandoah National Park lands in Rockingham County. I have drawn the order as a term time order; if the Circuit Court of Rockingham County should now be in vacation, won't you please add the proper vacation order.

As you will observe this order is the same that you entered in Page County and in fact has now been entered in all counties except Rockingham.

With kindest personal regards, I am,

Yours very truly,

*W. C. Armstrong*
