Mr. J. Robert Switzer, Clerk
Circuit Court of the County of Rockingham

Dear Sir:

Herewith find two copies of the judgment entered, yesterday, March sixth, in the "show cause" proceeding in which the State Commission on Conservation and Development and the Treasurer of Virginia sought to recover an alleged overpayment of \$120.00.

Will you be good enough to return these copies certified as true copies and to send me a bill, addressed to State Commission on Conservation and Development, Attention Judge A. C. Carson, covering:

- (1) All costs, fees for services, etc., arising out of these "Show Cause" proceedings.
- (2) Fees for services in certifying two copies of the judgment entered yesterday.

Yours very truly,

A. C. Carson

As the Treasurer of Virginia is very anxious to clear his accounts in this connection, may I ask for return of certified copies of the judgment and order at your earliest convenience.

A. C. C.
