"The following table sets forth in columns under appropriate explanatory headings;- First, under the heading, "Tract No.", the numbers of the several tracts designated by number and shown and delineated on the above mentioned County Ownership Map and described in the said report of the Special Investigators and the Board of Appraisal Commissioners filed with the record of this proceeding, each of which is condemned herein to the use of the Petitioner; Second, under the heading 'Value', the value of the fee simple estate in each of the said tracts as ascertained and determined by the said Board of Appraisal Commissioners; Third, under the heading 'Incidental Damages', the amount of the incidental damages ascertained and determined by said Board of Appraisal Commissioners which will result from condemnation hereunder of the numbered tract in the corresponding column of the table; Fourth, under the heading, 'Aggregate', the aggregate of the value and of the amount of incidental damages ascertained and determined by the said Board of Appraisal Commissioners with reference to the numbered tract in the corresponding column of the table, which aggregate amount as shown in the table is stated and set out herein as constituting the award for the said tract upon its condemnation to the use of the Petitioner. But in any instance wherein the original findings of said Board as to value or damages set forth in said report have been modified in arbitration proceedings, or by stipulation or otherwise, under authority of Section 36 of the Public Park Condemnation Act, this table shows under the respective headings of "value" and "incidental damages" and "aggregate" the original findings of said Board stricken out by a line running through such findings and aggregate and the modified findings and aggregate have been inserted in the table in lieu of the original findings and aggregate thus stricken from the table.

(A) The foregoing notwithstanding, it is further adjudged and ordered that the fee simple estate which may or shall be acquired by the Petitioner, hereunder, in any or all of the said tracts of land is and shall be subject nevertheless to such easements of passage and rights of way therein or thereover as have heretofore been acquired or are now claimed by the United States of America, which easement and rights of way are described in said report of the Board of Appraisal Commissioners, in Exception 3 of the body of said report, as an easement of passage and right of way on or over a strip of land one hundred feet wide running through the tracts mentioned in said Exception 3 of said report, the value of which easement of passage and right of way was not ascertained or determined by the said Board of Appraisal Commissioners; and it further appearing from the said report that the said United States of America owns or claims the fee simple estate in said strip of land and that the value of the said fee simple estate in the said strip of land owned or claimed by the United States subject to said easement of passage and right of way thereon or thereover, has been ascertained and determined by the said Board to be one dollar, U.S. currency, the fee simple estate in said strip of land is hereby condemned

to the use of the Petitioner subject to said easement of passage and right of way, upon the payment of the said amount of one dollar into the custody of the Court for the use and benefit of the person or persons entitled thereto, which said amount is hereby stated and set out as constituting the award for the fee simple estate in said strip of land subject to the said easement of passage and right of way.

(B) The foregoing notwithstanding, it is further adjudged and ordered that the fee simple estate which may or shall be acquired hereunder by the Petitioner, in any or all of said tracts of land, is subject nevertheless to such rights of way and easements in, on or over such tracts or any of them for the erection, maintenance, repair, replacement and operation of poles and wires or other appliances or means for the transmission of electricity as have heretofore been lawfully acquired therein by the Chesapeake and Potomac Telephone Company of Virginia, to which reference is made in Exception 4 in the body of said report of the Board of Appraisal Commissioners; and by the Madison Power Company Incorporated to which reference is made in Exception 5 in the body of said report.

(C) It is further adjudged and ordered that the fee simple estate in that portion of tract No. 191, containing sixty-seven acres, which is described in Exception No. 2 of the Supplemental Report of the said Board of Appraisal Commissioners, the value of which is ascertained and determined in said report to be Three Hundred and Ninety-Six dollars, is hereby condemned to the use of the Petitioner upon the Petitioner paying into the custody of this Court, for the use and benefit of the person or persons entitled thereto, the sum of Three Hundred and Ninety-Six Dollars (\$396.00) which is here expressly stated as constituting the award for said portion of Tract No. 191; and upon the payment into the custody of this Court by Petitioner of the amount thus stated as constituting the award therefor, the fee simple estate therein shall vest in the Petitioner as provided in Sections 13 and 38 of said Public Park Condemnation Act, but subject, nevertheless, to such easement of passage and right of way thereon or thereover as has heretofore been acquired or is now claimed by the United States of America being two strips of land one hundred feet wide running through said land and now in use by the said United State of America as a right of way for a road constructed thereon.
