Memorandum — ~~before the trial of this~~ Upon this cause being called for trial — the defendant, shewed that on last Thursday, he had a rule made in this Court, in the presence of the Prosecutors, requiring security for costs — and proved that the Prosecutor Jacob Plaughter was insolvent — and is still insolvent — and moved that he should give security for costs — but the Court would not make the motion requiring security for costs — and proved to the contrary a way to try the cause — to which opinion and action the defendant by his counsel excepted, and pray that this his own Exemption may be usual noted and enrolled, and the cause is done accordingly — x It appeared to the Court that there were no Indictments ~~pending~~ pending in this Court against Daniel Good and Jacob Plaughter — the indictment against each being found on the testimony of the other.
