CHAP. 204.—An ACT to amend and re-enact chapter 261 of the Acts of 1908, regulating the employment of children in certain employments, approved March 12, 1908, as amended by chapter 339 of the Acts of 1914, approved March 27, 1914. [S. B. 43]

Approved March 14, 1918.

1. Be it enacted by the general assembly of Virginia, That the act of assembly regulating the employment of children in certain employments, approved March thirteenth, nineteen hundred and fourteen, be amended and re-enacted so as to read as follows:

On and after July first, nineteen hundred and eighteen, no child under the age of fourteen years shall be employed, permitted or suffered to work in any factory, workshop, cannery, mercantile establishment, laundry, bakery, brick or lumber yard, theatre or place of amusement, nor shall any child under the age of sixteen years be employed in any mine or quarry.

(NOTE.—This section, amended by chapters 396 and 507 of Acts of 1920, so as to permit children between 12 and 16 years of age to work in vegetable and fruit canneries, and to run errands and deliver parcels when public schools are not actually in session. See these acts, immediately following this law.)

2. No child under the age of sixteen years shall be employed, permitted or suffered to work in,

about or in connection with any establishment or occupation named in section one (1) for more than six days in any one week; (2) nor more than ten hours in any one day; (3) nor before the hour of six o'clock in the morning nor after the hour of seven o'clock in the evening.

(NOTE.—This section, amended by chapter 507, Acts of 1920, by limiting hours of labor to 8 and changing prohibited hours of employment from 6 to 7 in the morning and from 7 to 9 in the evening.)

3. No child under sixteen years of age shall be employed, permitted or suffered to work in, about or in connection with any establishment or occupation named in section one unless the person, firm or corporation employing such child procures and keeps on file and accessible to any inspector of factories, or other authorized inspector or officer charged with the enforcement of this act, the employment certificate as hereinafter provided, issued to said child; and keep two complete lists of the names, together with the ages of all children under sixteen years of age employed in or for such establishment or in such occupation, one on file and one conspicuously posted near the principal entrance of the place or establishment in which such children are employed. On termination of the employment of a child whose employment certificate is on file, such certificate shall be returned by the employer within two days to the official who issued the same with a statement of the reasons for the termination of said employment.

Such employment certificate shall be issued only by a notary public, in the city, town or village in which the child is to be employed, upon the application in person of the parent or guardian or custodian of the child desiring such employment. The person authorized to issue an employment certificate shall not issue such certificate until he has received, examined, approved and filed evidence of age showing that the child is fourteen years old or upward, which shall consist of one of the following proofs of age, and

shall be required in the order herein designated as follows:

(a) A birth certificate or attested transcript thereof issued by a registrar of vital statistics or other officer charged with the duty of recording births.

(b) A record of baptism or a certificate or attested transcript thereof showing the date of birth and place of baptism of the child.

(c) A bona fide contemporary record of the date and place of the child's birth kept in the Bible in which the record of the births in the family of the child are preserved, or other documentary evidence satisfactory to the Commissioner of Labor of such person as he may designate, such as a passport showing the age of the child, a certificate of arrival in the United States issued by the United States immigration officers and showing the age of the child, or a life insurance policy; provided that such other satisfactory documentary evidence has been in existence at least one year prior to the time it is offered in evidence; and provided further that a school record or a parent's, guardian's or custodian's affidavit, certificate, or other written statement of age shall not be accepted except as specified in paragraph (d).

(d) A certificate signed by a public-health physician or a public-school physician, specifying what in the opinion of such physician is the physical age of the child; such certificate shall show the height and weight of the child and other facts concerning its physical development revealed by such examination and upon which the opinion of the physician as to the physical age of the child is based. A parent's, guardian's, or custodian's certificate as to the age of the child and a record of age as given on the register of the school which the child first attended or in the school census, if obtainable, shall be submitted with the physician's certificate showing physical age.

The officer issuing the age certificate for a child shall require the evidence of age specified in subdivision (a) in preference to that specified in any subsequent sub-division and shall not accept the

evidence of age permitted by any subsequent subdivision unless he shall receive and file evidence that the evidence of age required by the preceding sub-division or sub-divisions cannot be obtained.

4. In cities having a population of five thousand or more, according to the census of nineteen hundred and ten, no boy under the age of fourteen years and no girl under the age of eighteen years shall be employed, permitted or suffered to work as messenger for a telegraph, telephone or messenger company, in the distribution, transmission or delivery of goods or messages, and no boy under eighteen years of age, and no girl under twenty-one years of age shall be so employed, permitted or suffered to work between the hours of ten o'clock in the evening and five o'clock in the morning.

5. No boy under ten years of age and no girl under sixteen years of age shall, in any city in this State of five thousand population or more, distribute, sell, expose, or offer for sale, newspapers, magazines, or other periodicals in any street or public place. 6. Any owner, superintendent, overseer, foreman or manager, who shall knowingly employ or permit any child to be employed contrary to the provisions of this act, in any factory, workshop, mercantile establishment, laundry, mine, bakery, brick or lumber yard, with which he is connected, or any parent or guardian, who allows any such employment of his child or ward, in these occupations or in selling newspapers as in section five, or any notary public who shall issue a certificate, as provided in section three in violation of the provisions of said section, shall be guilty of a misdemeanor and, upon conviction of such offense, shall be fined not less than twenty-

five dollars nor more than one hundred dollars for each offense.

But nothing in this act shall prevent a parent from working his or her child in any factory, workshop, mercantile establishment, or laundry or other place owned or operated by said parent.

Any employment contrary to the provisions of this act shall be *prima facie* evidence of guilt, both as to the employer and the parent or guardian of the child so employed; provided, that nothing contained in this act shall apply to mercantile establishments in towns of less than two thousand inhabitants or in country districts.
