

My name is Noah Halterman. My age is 36. I live on Supin Lick Ridge.

I have been told that I need not make this statement unless I desire to do so; that everything I say must be of my own free will, and that anything I say can be and will be used against me in a criminal prosecution. I have also been told that I am entitled to counsel. Nevertheless, I do make the following statement voluntarily this 6th day of May, 1955, in the office of the Commonwealth's Attorney, Court House, Harrisonburg, Virginia, in the presence of Deputy Sheriff Warren Spitzer.

On Wednesday night, May 4th, 1955, I drove my truck down to Earl Baker's. It was my intention to go to Roy Miller's. I changed my mind and got out of the truck and went over in the woods and done my business. Then I went up to Baker's to the hog pen. It was after dark, about 9:30 when I came back from the woods and went to the hog pen. There were three sows and a boar in there. I had my penis out and was after this one sow. I was getting ready to put my penis in the sow when Baker threw the flashlight on me. That was the first I knew he was around. He called me by name and told me he was going to shoot me and for me to come out. He said "Noah, I know that is you." I dropped down on the ground and after he said he was going to shoot me I got up and ran.

I had been drinking whiskey that day. I started drinking about 4:00 o'clock p.m. and had drunk around a pint. I wasn't so drunk that I didn't know what I was doing.

I have never tried to do anything like that before.

I have read the above statement and the facts stated therein are true and correct.
