Dear Sir:—

I would like to know, whether you have taken the music books, of the first edition, at the Warm Springs, as I proposed to you in a former letter. It will be necessary for me to know, for if they still remain at the Warm Springs, I will try to dispose of them elsewhere. Also, please to let me know, whether you have safely received the Box of Music books, of the second edition, ^{which I sent by the stage,} and what success you have had in selling them. They are selling very fast with us, and are thought to be the best book of the kind that has yet been known. That they may prove an incentive, to thousands of the human family, to engage in singing the praises of Jehovah; and that the Lord may bless you, and prosper you in the sale of them, is the ardent wish of

Your sincere friend.

M^r. James Curry.

Joseph Funk.

P.S. The postage of my letters to you, shall be paid exclusive of your commission; you will therefore keep an account of what the postage amounts to. Please write to me as early as practicable.
